Welcome Adventure Travel Camp Families!

Glenwood Country Day School(G.C.D.S.) has offered an American Camp Association Accredited camp every summer for the past 30 years for children ages 2 through 13. Starting this summer, GCDS will provide a brand new summer program for our older campers, an addition to our traditional day camp. Glenwood's All new Adventure Travel Camp ("Travel Camp") offers daily field trips to several attractions around Maryland and Virginia. "Travel Camp" is for campers entering grades 5th–8th who want to experience a field trip base camp that provides a lot of fun, thrilling and adventurous activities!! Travel Camp is geared towards campers ready to experience an upbeat, high thrill, everyday field trip fun. This camp will bring joy and excitement back to GCDS summer camp and have our older campers never wanting to leave!!

Glenwood Country Day School's "Travel Camp" Handbook, FAQs, and Camp Calendar have all the information you need to learn about what we offer. Should you have any questions about this new program. I am always available and can be contacted via the information below.

Sincerely,
Mr. Dameon, Travel Camp Director
